WEST YORKSHIRE JUNIOR LEAGUE RULES

What Happens Next?

The Disciplinary Secretary or WYJNL Secretary is responsible for arranging an Investigation Panel, who determine whether or not the Complaint shows a prima facie case to answer. This means that there needs to be enough evidence in front of them to show that there is a serious enough case to warrant a Disciplinary Hearing. Whilst they have the power to ask for additional evidence, from anyone, they do not need to. In some cases, they may decide that the case is suitable for mediation, training or recommendations, as it is not so serious that it needs to be a Disciplinary Hearing.

Interim Suspension

Investigation Panels may also impose interim suspensions, for example where the allegation is so serious that someone needs safeguarding from the possibility of that behaviour recurring, or the behaviour is such that it is felt the reputation of the sport needs protecting, or to protect the integrity of the Disciplinary Process. The Investigation Panel must define the activities which the person is suspended from. The interim suspension will usually continue through to the conclusion of the Disciplinary Process.

19. It is the responsibility of the Club Secretary to inform the WYJNL Secretary and other club secretaries within their own division of any details different from those appearing in the WYJNL Information Pack.
20. Every club must be represented at the pre-season meeting and AGM. Any team/club failing to send a representative will be fined £20.00
21. Team Officials/Bench players/Scorers. Only the team manager/coach, and 1 primary carer/first aider, umpires and up to 5 bench players are allowed to be on the team bench and courtside at any WYJNL match.

During play team officials and bench players must remain at the team bench, except that bench players may leave for a valid reason (such as to warm up).

During a match team officials and bench players may not:

- a) Criticise the umpires or their decisions.
- b) Use offensive, insulting or abusive language and or gestures.
- c) Use excessive noise or interruption.
- d) Encourage foul play by on-court behaviour.
- e) We recommend teams provide scorers when possible. Both scorers must sit together. If at any point they disagree with the score they must immediately tell the umpire, who will call time at a suitable break in play to verify the result before play continues. Infringement of any part of rule 21 a) to d) that results in the removal of the person from the team bench/playing enclosure will result in that person automatically being banned for the entirety of the next scheduled fixtures.

22. All spectators are to utilise the viewing galleries above the courts at the WYJNL League venues where available and as directed by the umpires.
23. Any matters not covered by the rules will be decided on by the WYJNL Committee.

At quarter time a decision is made as to whether the injured/ill player is fit to resume her position in the squad. If she is deemed fit, then continue with the current rotation. If not fit to resume her position then a NEW rotation sheet should be completed and followed, i.e.

16. If during play a squad of 7 is reduced to a squad of 6 due to injury/illness in the 1st, 2nd or 3rd quarter then this game is recorded as a friendly. If however a squad of 7 is reduced to a squad of 6 in the last quarter then the game is still valid. The injured/ill player will be replaced as rule 15 by the player in the SCORER position.

ADVISORY NOTES

- 1st aid – is not provided at all current WYJNL. Clubs are responsible for providing their own qualified first aiders.
- Player welfare (over playing) – the WYJNL Committee recognise that this is a time when children and young people are enthusiastic and receptive to quality playing opportunities, however clubs are urged to monitor players who are potentially playing a high volume of sport.
- Scorecards – the WYJNL Committee advises all teams to ensure that all scorecards are only completed by the team manager/coach. Please ensure that players names are entered in full and are legible
- Procedure for payment of a cancelled or void match. Scorecards to be sent as per rule 15 stating in the comment box any fees/expenses incurred and the reasons for the void match. Result Secretary will inform the Treasurer.
- Age banding – players should only be put forward on a talent/performance level, NOT to solve a fixture problem.
- Approaching Players to change clubs – The WYJNL do not endorse the direct approaching of young players either in or out of season to transfer clubs. It is recognised, however, that there will be on occasions when it is beneficial for a young player to move clubs. The negotiations, preferably between coaches, must be done in an open and transparent way. An approach from a coach, parent or any other adult direct to young player is not considered
